FAMILY PROMISE OF WASHINGTON COUNTY UPDATE

Executive Director

Family Promise of Washington County announced today that Kathleen Fisher has resigned from her role as Executive Director from the non-profit organization effective April 2, 2018. Family Promise of Washington County is actively looking for a new Executive Director to fill this position.

The Board of Directors wishes her well and thanks her for her years of service and all that she has done to help the homeless in our community.

This is an exciting time for Family Promise as we remain focused on serving the needs of the homeless with a continued emphasis on the quality of services that we offer in our family shelter program as well as operating our newly opened singles shelter, Karl's Place. We recognize that the success of both programs is vitally important to some of the most vulnerable and disadvantaged residents of Washington County.

Family Promise of Washington County is a 501(c)3 that rebuilds lives with compassion by providing resources and services that prevent and end homelessness for individuals and families in Washington County.
